

# PSREdit120 License Agreement

By downloading and running this software, you agree to the following:

- Use of PSREdit120 is at your own risk. While the author does not anticipate that PSREdit120 will do any damage to your computer or files, there is always the chance that a rare occurrence could do so.
- The software will be scanned for all known viruses with up-to-date virus definitions before release. The software author will not be held responsible for any unforeseen instances of this type.
- PSREdit120 is a copyrighted work. The software author retains all ownership and rights to the software.
- PSREdit120 allows you a 30 day free trial of the software, starting the first time the program is started. Please be sure to use this time to be sure that PSREdit120 does what you want it to do. At the end of the 30 day trial, you must either purchase a license for the software to continue using it, or remove the software from your computer.
- Should you decide to purchase a license key for PSREdit120, your license key will be valid for all future versions of PSREdit120. All future upgrades to the software will work without additional cost.
- If you lose your key, a replacement may be obtained using the lost key option on the PSREdit web site at <http://www.psredit.com/lostkey.php>. This process will send any license keys on file for the address you used to register the software. If you no longer have access to the email address you used to register the software, please contact [support@psredit.com](mailto:support@psredit.com) for assistance.
- Your purchased license allows you to install the software on up to two computers as long as they are both owned by you and you are the only person that will use the software on those computers. (i.e. You own a desktop computer and a laptop computer and want to use the software on both)
